THE CLASSIC CREWED YACHT VACATION VS. PRIVATE CABIN CHARTERS

We are The Catamarans Company, a fully staffed, financially stable group of companies whose sole focus has always been devoted to supplying the resources and people necessary to provide the highest level of service, greatest expertise and finest catamaran products to the yachting community.

If it's a catamaran you're interested in, you have chosen your interests wisely. And you have certainly come to the right place.

Imagine an entire catamaran to yourselves. Each couple has their own private stateroom and two professional crew to wine and dine you for seven nights! Our Catamarans have the capacity to take 8 to 16 people plus crew, just perfect for two families or a large group of friends.

These classic crewed charters provide you with personal service at a very competitive price. Enjoy meals on board with an open bar every day and every night!

For those of you who like to keep busy all the time, that is not a problem on one of these catamarans. Water ski or kneeboard behind our powerful dinghy; take the kayak and investigate the beauty of the islands up close, give the windsurfer a shop, your captain will be more than happy to give you a few pointers... but only if needed. And for the less active crowd, choose a board game or pull a book off the library shelf to read as you doze off on one of the spacious trampolines. At the end of the day, finger through the CD collection and choose your favorite tunes while you await some tropical drinks and appetizers.

You might be wondering about the food and drinks onboard? Well, you choose! Simply tell your crew what you like and what itinerary you prefer: With the help of your experienced captain, we will customize your vacation for you.

We guarantee a vacation like no other. It's much more personal than a huge cruise ship, no flocks of people, nobody telling you when to go snorkeling when to eat or sleep. You choose what you want to do. The crew will most certainly accommodate all your needs.

We can present you with a unique vacation. Whether you are planning for a party of four to sixteen, or simply planning your solo adventure, do not let your dream get away!

YOU MAY BE WONDERING WHAT THE DIFFERENCE IS THEREFORE BETWEEN A CLASSIC CREWED CHARTER AND A CABIN CHARTER.

The only difference:

The other people you choose to share your vacation with! Bring your own friends or we can provide new ones for you!
