BEST REVENGE 5
is the best revenge of all!

A Luxury Crewed Yachting Vacation

Big boat luxury at the price of a 4 star hotel

Designed as a fast, luxurious, roomy charter yacht – her state-of-the-art design offers opulent interior space that belies her 60' length, especially when considering that she has even more volume than catamarans 10 feet longer or monohulls up to 100'.

A sailing vacation aboard BEST REVENGE 5 is the ultimate way to enjoy and experience the natural beauty of the Caribbean or the New England coast. She has more than enough deck space for four couples either to lounge comfortably together or find private spaces, and two large trampolines on the bow (with their own stereo speakers), which are perfect for soaking up the sun or reading a book in the shade of her sails.

No detail was overlooked in setting a new standard for crewed charter sailboats, from luxury bath and bed linens, designer decorations and custom leatherette contoured seating in the cockpit to four equally spacious guest queen- or king-bed cabins each with a private bathroom, zoned air-conditioning throughout, and a professional audio-visual system with a 42" Plasma screen. Pace, grace and space are the hallmarks of BEST REVENGE 5.
