## Yacht Purchase Deposit

MODEL: \_\_\_\_\_ EXPECTED LAUNCH DATE: \_\_\_\_\_

In consideration of this fully refundable option deposit in the amount of \$10,000, The Catamaran Group agrees to lock a hull production slot on a vessel that has not yet been launched by the manufacturer. At this time an actual hull number cannot be assigned but a place in the production schedule is guaranteed. Only yachts that have a non-refundable option deposit on them will receive a higher ranking in hull's allotted.

This agreement guarantees that the buyer will be given 7 days to confirm his order as soon as the manufacturer announces the Yacht Base Price. Should the buyer decide not to proceed within this 7day period his \$10,000 will be fully refundable and his production slot released. It should be noted that it is normal for the manufacturer to release the Base Price without the additional option pricing.
