

The **PASSPORT™** Pre-owned Extended Protection Plan is exclusively designed to enhance the Manufacturer's Limited Warranty by providing coverage against the failure of nearly all the mechanical parts of your new watercraft/engine(s).

The one time cost of the **PASSPORT™** Pre-owned Extended Protection Plan pays for the repair or replacement of important mechanical and/or optional accessory components of your watercraft, as well as labor charges associated with a covered mechanical breakdown.

PASSPORT PREMIERE™ Benefits:

- \$25 Deductible
- "Service Assist"
 - on-water towing
 - hoist/lift-out
 - haul-out
 - dockside repair call
 - pick-up/delivery
- Honored Nationwide
- Insured by an A+ Rated Insurance Company

Protect your investment for years of worry-free boating enjoyment with the most comprehensive mechanical breakdown coverage available in the marine industry.

STERN DRIVE • INBOARD • DIESEL ENGINE PROTECTION

Engine: Crankshaft, main bearings, main bearing bolts, connecting rods, connecting rod bearings, connecting rod bolts, camshaft, camshaft bearings, pistons, piston rings, wrist pins, push rods, lifters, valve springs, valve guides, valve retainers, rocker arms, timing gears, timing chain, timing belt, oil pump, oil filter housing, flywheel ring gear, harmonic balancer, engine mounts, distributor, head gasket(s), rocker cover, timing gear cover, seals, gaskets

Transmission: Transmission mounts, clutch plates, clutch drums, thrust plates, planetary gears, shift bands, reduction gears, bearings, shafts, bearing carriers, hydraulic pump, hydraulic pistons, valve bodies, neutral safety switch, control valves, transmission oil cooler, seals, gaskets

Drive Shaft Housing: Upper drive gear set, clutch dogs and cones, spring kit, shift cams, shims, bearings, bearing carriers, upper drive shaft, spanner cover nut, seals, gaskets

Intermediate Housing: Intermediate shaft, universal joints, gimbal bearing, center yoke, drive yoke, steering yoke, engine coupler, intermediate shift cable

Stern Drive Lower Unit: Forward, reverse and pinion gears, clutch dog, dog pin, cam follower, prop shafts, drive shaft, shift shaft, shims, bearings, bearing carriers, pinion nut and washer, seals, gaskets

V-drive: Bearings, thrust bearings, bevel gears, shafts, shims, bearing carriers, friction clutch plates, steel clutch plates, pressure plates, clutch drums, springs, snap rings, control valve, regulator valve, hydraulic pump, neutral safety switch, ring gear, v-drive oil cooler, seals, gaskets

Cooling System: Engine water/coolant circulating pump, heat exchangers

Steering: Steering control helm assembly, control rack and yoke assembly, power steering pump, power steering pump pulley, hydraulic steering pump, hydraulic steering cylinder, power steering oil cooler

Fuel System: Fuel injectors, injector rails, pressure regulator, low pressure pump, high pressure pump, fuel management control unit, wiring harness, flame arrestor, fuel cooler, (VST) vapor separator

Electrical: Alternator, voltage regulator, ECU module, (ECM) electronic control module, electronic ignition module, ignition coil, starter, starter solenoid, starter drive, electric choke, electric choke solenoid, engine wiring harness, ignition switch

Power Trim: Power trim motor/pump, power trim cylinders, cylinder rams, mounts and pivots, trim solenoids, wiring harness, master switches, sender/limit switches, reverse lock valve, power trim reservoir and cap assembly, seals, gaskets

Controls: All parts contained within the manual/cable control box, neutral safety switch, shift switch, lever, control cables

OUTBOARD ENGINE PROTECTION

Engine 2 Cycle: Crankshaft, main bearings, connecting rods, connecting rod bearings, connecting rod bolts, pistons, piston rings, wrist pins, wrist pin bearings, wrist pin lock rings, reeds, reed blocks, seals, gaskets

Engine 4 Cycle: Crankshaft, main bearings, main bearing bolts, connecting rods, connecting rod bearings, connecting rod bolts, camshaft, camshaft bearings, pistons, piston rings, wrist pins, wrist pin lock rings, lifters, rocker arms, rocker covers, valve springs, valve guides, valve retainers, valve covers, oil pump, oil filter housing, harmonic balancer, flywheel ring gear, seals, gaskets

Lower Unit: Forward, reverse and pinion gears, clutch dog, dog pin, cam follower, prop shaft, drive shaft, shift shaft, shims, bearing carriers, bearings, pinion nut and washer, bearing carrier retaining nut, seals, gaskets

Oil Injection System: Oil injection pump, oil pump drive gear and shaft, engine mounted oil tank and cap, warning horns and lights, check valves

Fuel System: Fuel system pump, flame arrestor

Fuel Injection: Fuel injectors, injector rails, pressure regulator, low pressure pump, high pressure pump, fuel management control unit and wire harness, electric choke/primer, air silencer/intake

Power Trim: Power trim motor/pump, power trim cylinders, cylinder rams, mounts and pivots, trim solenoids, wiring harness, master switch, sender/limit switches, seals, gaskets

Electrical: Alternator, voltage regulator, stator, starter drive, starter, starter solenoid, power pack/switch box, electronic ignition module, flywheel, timer base, trigger assembly, ignition coil, CDM modules, ignition switch

Steering: Steering control helm assembly, control rack and yoke assembly, hydraulic steering pump, hydraulic steering cylinder

Controls: All parts contained within the manual/cable control box, neutral safety switch, shift switch, lever, control cables

DFI Components: Air injectors, fuel injectors, air compressor, tracker valve, fuel regulator, fuel rails, check valves, mechanical fuel pump, low pressure fuel pump, high pressure fuel pump, vapor separator

ACCESSORY PACKAGES – OPTIONAL

The following Optional Accessory Packages/Upgrades may be purchased separately or in addition to Engine coverage

Captain's Class

Air Conditioner: (Two Units) Compressor, condenser, heat exchanger, evaporator, thermostat, capacitors, relays, fans

Gauges: (In-dash units) Tachometer, speedometer, compass, hour meter, oil pressure, trim, engine voltage, fuel level, engine temperature

Digital Depth Finder: (One in-dash single function unit) Transducer and wiring harness

Windlass: Electric motor, wiring harness, helm station control panel

Water System: Fresh water pump, water heater, shower drain sump pump, sink faucet(s)

Waste System: Vacuum generator pump, macerator, gate valves, connections

Electrical: Engine battery main switch, engine battery isolator, windshield wiper motor(s)

Refrigerator: (One unit) Thermostat, cooling unit, thermocouple

Ice Maker: (One unit) Module, fan

Freezer: (One unit) Thermostat, cooling unit, thermocouple

Cook Top: Thermostat, thermocouple, burner assembly, burner valves, ignitor

Microwave Oven: Non-convection models

Stereo: (Main unit-Sony or equivalent unit) AM/FM radio, CD player, CD changer

12 Volt/24 Volt: Engine battery charger/converter, battery equalizer

Shore Power: On board receptacle(s), shore power main switch(es)

Spotlight: Control panel, horizontal control motor, vertical control motor

Bilge Blower: Control panel switch, wiring harness, blower motor

Horn: Air horn, air horn compressor, air solenoid, control panel, electric horn

Trim Tabs: (Labor charges only) Pump, planning plates, trim cylinders

Cruiser Class

Includes Captain's Class Components **PLUS** the following:

Air Conditioner: (Third unit) Compressor, condenser, heat exchanger, evaporator, thermostat, capacitors, relays, fans

Digital Depth Finder: (One in-dash multi function unit) Transducer, wiring harness, head assembly

Refrigerator: (Second unit) Thermostat, cooling unit, thermocouple, power supply

Microwave Oven: Convection models

Ice Maker: (Second unit) Module, fan

Stereo: (Second unit) AM/FM radio, CD player, CD changer, dash mounted remote control panel

Bow Thruster: Electric motor, wiring harness, control panel, bow thruster battery charger

Clothes Washer/Dryer: Internal mechanical parts, motors, wiring, switches

Trash Compactor: Control switches, wiring, electric motor, compression components

Central Vacuum: 110V or 220V Vacuum motor, wall access panel

Hydraulic Lift/Swim Platform: Hydraulic cylinders, hydraulic pump, wiring harness, control panel

Windshield Defogger/Cockpit Heater: Heating element, blower motor, wiring harness, control switches

Generator*

Engine: Piston, piston rings, wrist pins, piston retaining clips, connecting rods, connecting rod bearings, connecting rod bolts, main bearings, main bearing bolts, crankshaft, crankshaft sprockets, camshaft, camshaft bearings, valve springs, valve spring retainers, valve guides, push rods, lifters, rocker arms, timing chain, timing gears, timing belt, timing cover, valve cover, harmonic balancer, oil pump, oil pan, distributor housing, distributor shaft and bearings, head gasket, flywheel ring gear, engine water circulation pump, fuel pump, seals, gaskets

Electrical: Switch box, alternator, voltage regulator/rectifier, ignition coil, starter, starter solenoid, engine wiring harness

Generator Electrical: Armature, fields, brushes, end frame and housing, rectifier, generator mounted control panel, generator remote control panels, control panel gauges

*Does not cover the removal or installation of the generator
