Minimum Draft	-	Beam:	14' (4.27 m)
LWL:	31' (9.45 m)	Mast Height Clearance:	46' (14.02 m)
# of Cabins:	3	Heads:	1
Fuel Capacity:	36 g	Water Capacity:	60 g
Weight - Displacement:	4.8 ton (9600 lb)	Holding tank:	18
Cruise speed:	6	Max speed:	8
Hull Material:	Fiberglass	Hull Configuration:	Catamaran
Engine count:	One	# of berths:	
Flag:	US		

Boat Highlights

“The bottom line is: What do you want your cruising boat to do for you? If you’re looking for a thin-water-friendly, level-sailing cruiser with loads of deck space, comfortable cabins, copious stowage, and a salon with 360-degree visibility that connects directly to the cockpit, this cruising catamaran is for you.” - Sail Magazine

Layout & Accommodations

Discover the Gemini 105Mc's expansive interior complete with comfortable dinette seating for six, sleeping room for up to eight, a double-sided work surface in the galley with a front-loading 4 cubic foot refrigerator, a beautiful master cabin with an incredible view, roomy head with separate shower, and much more.

105 Mc interior with 105M Cockpit

AM/FM stereo/CD player with 2 speakers

Weems & Plath Bluewater clock & barometer

Galley

We've outfitted the interior with all the amenities seasoned cruisers want. There's a double-sided galley that includes a 4 cubic foot front loading refrigerator that operates off propane or shore power. There's also plenty of smartly designed storage in each area of the boat that makes for an uncluttered cabin. There are useful touches such as a solid teak, convertible dining table that can seat 6 or 8 people, just two steps down to the hulls keeps everyone on the same level, an average of 6' headroom throughout, and a panoramic, forward-facing view from the master bed.

General Ecology Water Filter

Propane/AC refrigerator/freezer

2-burner propane stove with oven/broiler

Propane detector

Deck & Equipment

The Gemini hulls provide many advantages considering their weight and structural rigidity. The entire hull mold is one complete unit including the centerboard cases. This single unit eliminates any secondary bonding down the keel, at the bridge deck or around the centerboard cases making for a far stronger hull. The result - a faster, stronger, and more stable platform that provides excellent sailing performance.

25 lb Bulwagga Anchor
 Cockpit Cushions
 Cockpit VHF speaker
 2-20lb propane tanks
 2 sets of covers for both large windows
 Cockpit screens and enclosure
 Anchor Bridle
 Danforth Anchor
