## **Engine & Mechanical**

2 x 27HP Volvo 20 30 C diesel engines w/ Volvo sail drives

Port engine was rebuilt 5 yrs ago when engine ran dry. The stbd one was also rebuilt. Owner tested engines in May 2011 and reportedly ran great.

**Additional Information**

Owner had an unfortunate emergency that led him to be medivac back to the US and remain in bed for 1yr. His vessel, while in Panama, was left with hatch in the stbd hull open while during seasonal heavy rainstorms. As a result the stbd owner hull was flooded and there is water damage to the interior. Six to eight inches of water damage is apparent on the interior wood of stbd hull.

Owner has cleaned it up but it needs professional cleaning and TLC. Vessel has been on the hard now for 2 years. Upon seller's recent return he has had the bottom painted and had some other items addressed. Items noted in listing were operational at the time when seller was fully using the vessel. Seller has not had the time to trouble shoot or test all items on board. Owner has priced to sell quickly and vessel is in need of a new home.

**Disclaimer**

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors to investigate such details as the buyer desired validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice. Photos may not properly reflect the current condition of the actual vessel offered for sale. In some cases stock photographs may have been used.
