## Boat Highlights

Second Wind has been professionally maintained and lovingly cared for. She is a true luxury yacht that only with a visit on board can you truly appreciate all of her fine care and attention to details.

## Layout & Accommodations

Privilege catamarans have been primarily about comfort and luxury afloat, as well as the closely related goal of safe and no-fuss handling. For those seeking relaxed, comfortable and safe cruising.

As you enter Second Wind the impression of space and luxury is striking. The main saloon consists of 2 cushioned seating areas each with their own golden cherry wood table. This leaves the entrance to the main Saloon open. The higher main saloon roof gives you 7' of head room. Her galley is 8' long and almost 6' feet wide providing an airy volume while offering enormous cabinet and counter top space. Her 5 double cabins feature hanging closet, dresser, drawer (in warm golden cherry wood) and ample storage space. Her heads have separate showers.

The generous use of warm golden cherry wood and great attention to detail and cabinetry work throughout places Second Wind in a true luxury yacht class. Privilege catamarans are the most proven blue water cruising catamarans in the world! Privilege 482 Crowned Queen of the luxurious ocean cruisers.
