Boat Highlights

This 42' Africat is the 3 cabin owner's version with the master suite taking up the starboard hull. The two guest cabins and guest head are to port. She has 3 Volvo IPS control stations, (fly bridge, saloon and aft deck) comfort and ease of docking are excellent.

Layout & Accommodations

The broad spacious salon makes for a very open living space. The wide, C-shaped curving couch, upholstered in soft ultra-leather is just under the wrap around front windows, it wraps around a cocktail table with layed in rose on a pedestal. The table can be raised or lowered, or be covered by a special, larger dining table top for a full formal dinner. Adding to the spaciousness, head room exceeds 8 feet. A 42" plasma TV provides escape entertainment for the entire room. At mid salon there are stairways that lead down into the hulls; three wide stairs with courtesy lights and grabs handles invite you into the accommodation area. Custom Ocean Air blinds and shatterproof glass windows and sliding door.

This three-cabin owner's version has two guest staterooms on the port side with one head. On the starboard hull the owner's stateroom reigns. This cabin has hanging lockers and drawer space galore. Aft, at the foot of the King-size bed is a vanity/dressing table with a long mirror and a seat. The entire master suite hull can be closed off from the salon for maximum privacy.

The master bath takes up the entire forward section and is large and airy, bright and spacious. It features a huge stand-up separate glassed-in shower with state-of the-art spray nozzle and elegant corian finish. It includes Head Hunter fresh-water flush toilet and beautiful seamless corian wash hand basin with twin mirrors and a huge vanity for cosmetics and essentials. Apart from the large opening deck hatches, both the bedroom and the bathroom have opening port lights that facilitate keeping this amazing master stateroom bright and airy. Guest cabins and head are on the port side hull, each have plenty of storage and large beds.

Galley
