Boat Highlights

The 3 cabin versions the keyword is balance: balance between hull space and performance, saloon and cockpit, cabins and bathrooms, and between interior and exterior. The impressive new interiors designed by the Nauta Design agency make the Lagoon 400 even more comfortable, elegant and distinctly contemporary, while remaining ever-faithful to the brand's values. Like its predecessors, the Lagoon 400 is designed for coastal or ocean cruises. It can comfortably accommodate 8 with its 3 or 4 double cabins, elegantly fitted, spacious interior, and her cockpit and salon on the same level.

Layout & Accommodations

Three double births. High level of comfort with widened double berths in owner and guest cabins plenty of natural light in saloon and cabins (large hull windows). Even more spacious with the redesigned layout of the salon.

Excellent ventilation in all parts of the boat

Large owner's cabin with plenty of stowage

Galley located between cockpit and saloon

Forward cabins include double bed that converts into twin beds

Engine compartments are far from the living areas and perfectly insulated
