Boat Highlights

"Emerald Sunset" is one of a few Leopard 43's for sale on the US East Coast. She is in nice condition and shows well. The current owner has added many upgrades such as solar panels and a full set of navigation electronics that include both Raymarine and B&G chartplotters. This yacht is very easy to manage and maintain with an emphasis on comfort and safety. She has both blue water and coastal cruising under her keels and is ready for a cruising couple or family. This yacht will not be available for very long at this price. Please review the complete specifications.

The Leopard 43 was designed as a short-handed, comfortable and reasonably fast passage maker. Hand laid up by experienced craftsmen and designed by well know designers Simonis & Voogd. Over 1300 Leopard catamarans sail the 7 seas since 1997. Leopard catamarans offer unparalleled standard for seaworthiness and cruising performance, combined with the best possible comfort inside & outside.
