Engine Type	InBoard
Engine Configuration	Twin
Engine Fuel Type	Diesel
Does the boat have a generator?	Yes
Generator Model	NexGen
Generator Operating Hours	20
Does a dinghy come with the boat?	No

Full Specification

Layout & Accommodations

As You Wish's hardtop covered cockpit features the starboard side helm with excellent visibility from the double helm seat, cockpit seating at the table for 8, and a walkthrough to the swim deck aft. Two steps down through the large sliding glass door from As You Wish's cockpit yields the saloon to starboard and the galley to port. The clear Beech woodwork throughout gives the interior a traditional and comfortable feel. The large C-shaped settee with varnished wood table easily seats six for meals or for relaxing. Opposite the settee is the big navigation station. The galley features a top loading freezer and NEW in 2012 Isotherm 12/24VDC front loading fridge, 3 burner stove and oven with rotisserie, deep double stainless sink, solid surfacing counter tops and lots of storage.

Four steps down to starboard, the entire hull is dedicated to the owner's suite, which has a queen size berth aft and a large head forward separated by a companionway that features an incredible amount of storage in latticework door faced lockers on both sides.

The port hull houses a queen cabin aft, a double cabin forward, with a head and shower on the outboard side of the companionway. The aft cabins have hanging lockers, dressing seats forward of the berths, and all berths feature large drawers for storage underneath.

Galley

Galley is up and open

Deck & Equipment

12v/120v Electrical Panel
