Fuel Capacity:	255 g
Water Capacity:	237 g
Weight - Displacement:	14.881 ton (29762 lb)
Hull Material:	Fiberglass Reinforced Plastic- FRP
Hull Configuration:	Catamaran

Boat Description:

This is your chance to own a great cruising catamaran at a great price. Ciao Italia has recently completed her time in charter service in Florida. She is awaiting new owners to sail her to exotic locations. The Lagoon 440 was one of the most popular catamaran designs of all time. The salon is large with 360-degree panoramic windows around to capture fantastic views. The large L-shaped galley has lots of counter space and lots of cabinet storage. She has had lots of fleet maintenance recently, including new standing rigging, sails and is ready for you to sail away or earn income with her until you are ready to go long-range cruising. Ciao Italia has a set of throttles and shifters in the salon with a remote control autopilot so you don't have to go outside to make a course correction when it's raining. She has 2 electric winches at the helm station and new running rigging too. She has new steering cables and shives for ease of steering. AS IS WHERE IS

Engine Manufacturer	Yanmar
Engine Model	4JH4CE
Engine Year	2007
Engine Horsepower	54
Engine Type	InBoard
Engine Configuration	Twin
