### [Boat Description:](#)

Condor 40 Trimaran – Rare High-Performance Racing/Cruising Multihull This pre-owned Condor 40 trimaran, located in Fort Pierce, Florida, represents a rare opportunity to own a legendary performance multihull with fully updated systems and all new equipment. Built in Annapolis between 1978 and 1991, Condor Trimarans were designed by Phil Herting and Mick Price to deliver exceptional speed, impressive stability, and proven offshore capability. Light, fast, and versatile, the Condor 40 is widely regarded as one of the most capable performance cruising trimarans of its era. This particular vessel has been meticulously maintained and refitted, making her truly turnkey and ready to sail. She offers an ideal balance of racing performance and cruising comfort, perfectly suited for coastal passagemaking or extended bluewater adventures. With her pedigree design, upgraded systems, and readiness to go, this Condor 40 stands out as an exceptional opportunity for sailors seeking both performance and reliability in a proven trimaran platform.
