

2014 Gunboat 55 VANDAL

Basic Vessel Summary

Manufacturer:	GUNBOAT
Model:	Gunboat 55
Model Year:	2014
Year Built:	2014
Type of Yacht:	Sail
Price:	\$1,298,000
Condition:	Used
Status:	Sold
Location	Fort Lauderdale Florida (FL)
Manuf. Length:	55' 0" (16.76 m)
Maximum Draft:	6' (1.83 m)
Beam:	25' (7.62 m)
LWL:	56' 9" (17.30 m)
Mast Height Clearance:	85' (25.91 m)
No. of Cabins:	3

No. of Heads:	2
Fuel Capacity:	320 gals in 4 tanks g
Water Capacity:	100 gals in 2 tanks g
Holding tank:	40 gal in 2 tanks
Cruise speed:	10kts
Max speed:	21kts
Weight - Displacement:	13.75 ton (27500 lb)
Hull Material:	Carbon Fiber
Hull Configuration:	Catamaran
Engine Manufacturer	Yanmar
Engine Model	3HJ5E
Engine Year	2014
Engine Horsepower	39hp
Engine Hours (Port)	1178
Engine Hours (Starboard)	1186
Engine Type	InBoard
Engine Configuration	Twin
Engine Fuel Type	Diesel
Does a dinghy come with the boat?	No

Boat Description:

Gunboat 55 "VANDAL" – Ultimate Owner-Operated Performance Cruiser VANDAL is a high-tech, lightweight Gunboat 55 catamaran built in the USA and designed for fast, shorthanded world cruising with outstanding performance, safety, and luxury. Constructed entirely in carbon fiber, this 57-ft LOA yacht combines strength and speed with a sleek, modern profile. Capable of sailing comfortably at 14 to 21 knots and achieving 250+ mile days, VANDAL is the perfect platform for couples or small crews seeking serious offshore capability. With a smart galley-up layout and an open, bulkhead-free main salon, the living space flows seamlessly into the cockpit, offering a bright, social atmosphere ideal for entertaining or relaxing at anchor. Below, you'll find three queen+ staterooms with bold, stylish finishes and two well-appointed heads. VANDAL has been significantly upgraded post-construction, including reinforced rigging, improved steering systems, and a solar power array — all completed at Newport Shipyard in collaboration with Gunboat, incorporating two decades of real-world performance insight. This Gunboat is fully equipped for long-term cruising with lithium batteries, solar panels, air conditioning, a generator, watermaker, electric winches, and a full suite of B&G electronics including AIS and radar. She features performance keels for safe, fast upwind sailing without the complexity of centerboards. Recent maintenance includes new bottom paint and PropSpeed in Nov 2024, and an out-of-water bottom survey with thermographic imaging, showing no issues. Whether you're coastal cruising, crossing oceans, or hosting sunset gatherings, VANDAL delivers everything you expect from a Gunboat — speed, style, innovation, and confidence. Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors to investigate such details as the buyer desired validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice. Photos may not properly reflect the current condition of the actual vessel offered for sale. In some cases stock photographs may have been used.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing.

Dinghy Disclaimer

All dinghies are considered separate vessels and should have separate titles and documents. There is no guarantee as to the title of the dinghy on this vessel so Buyer accepts that while he may receive the dinghy included in the transaction, he may not receive the proper title to it.
