[Boat Description:](#)

Shared Adventure II is a 2014 Leopard 51 Power Catamaran. "Shared Adventure II" is quite a unique Leopard 51 PC as she has a "special exemption" / USCG waiver for charters. As an added bonus, she has been privately owned since new and does not have a bare-boat charter history. "Shared Adventure II" has done occasional crewed-charters out of Fort Lauderdale over the past years. "Shared Adventure II" has an USCG Coastwise Exemption allowing it to be legally chartered along the US East Coast and in the Gulf of Mexico. US import taxes are paid. This Leopard 51PC has more extras than any other Leopard 51PC currently for sale!
