

Catamaran for Sale
2004 Lagoon 43 Power SAMANTHA JANE

Basic Vessel Summary

Manufacturer:	LAGOON
Model:	Lagoon 43 Power
Model Year:	2004
Year Built:	2004
Type of Yacht:	Power
Price:	\$299,000
Condition:	Used
Status:	Acceptance of Vessel
Location	Kemah Texas (TX)
Manuf. Length:	43' 0" (13.11 m)
Maximum Draft:	3' 11" (1.19 m)
Beam:	21' (6.40 m)
LWL:	29' 1" (8.86 m)
No. of berths:	2
No. of Cabins:	2
No. of Heads:	3
Fuel Capacity:	103 g
Water Capacity:	103 g
Cruise speed:	14
Max speed:	21
Weight - Displacement:	12.3465 ton (24693 lb)
Hull Material:	Fiberglass
Hull Configuration:	Catamaran
Engine Manufacturer	VOLVO
Engine Model	KAMD300

Engine Year	2004
Engine Horsepower	285
Engine Hours (Port)	1900
Engine Hours (Starboard)	1900
Engine Type	InBoard
Engine Configuration	Twin
Engine Fuel Type	Diesel
Engine Condition	Used
Does the boat have a generator?	Yes
Generator Model	ONAN MDKAW
Generator Operating Hours	1258
Generator Horsepower	11 kW
Does a dinghy come with the boat?	Yes
Dinghy Model	AB
Dinghy Length	13
Dinghy Model Year	2016
Dinghy Outboard Manufacturer	Tohatsu
Dinghy Outboard Horsepower	30
Dinghy Outboard Year	2016

Full Specification

Layout & Accommodations

Originally a charter configuration she was previously converted to an owner's configuration with the starboard forward berth also converted to a pantry that includes both washer & dryer. She has 3 electric heads, with the fourth head converted to a shower. Connecting saloon & cockpit, separated by a sliding glass door, provides 2 dining tables for entertaining. There is a lot of storage throughout. She has 2 poly tanks for fresh water (750 liters) with each head having an individual holding tank.

Galley

The galley houses a propane 4-burner (one R in burner) cooktop and oven (with a remote shut-off valve for safety), a 1200-Watt microwave oven, an under-counter refrigerator/freezer, a large Uline ice maker, and a separate large box freezer. For clean-up you have a two-well sink with spray faucet. A "purified" water faucet with UV purifier is also installed at the sink.

Deck & Equipment

An Atlantic windlass (new motor Apr. 2023) and 45 lb delta anchor with a new spray-off hose in the chain locker. Padded seating in bow & padded sunning area behind flybridge. Large storage compartments in bow include a Rainman watermaker & many spare parts & filters. Fourteen $\frac{3}{4}$ inch lines of 30 ft to 100 ft length were recently purchased for securing her in The Bahamas during hurricane season, and are included in the sale. Several fenders are also included. An electric hoist aft (with a new winch) and Presto XL500R hydraulic tender launch share the swim deck. Eisenglass encloses the cockpit, with a trio of screens also available for shading from the sun.

Electronics & Navigation

She includes a full complement of Garmin instrumentation, at the upper helm a GPSMap 5208 Chartplotter and GMI10 remote instrument display. At the lower helm is a GPSMap 5212 Chartplotter and Garmin Autopilot system. The arch-mounted Garmin GMR 24 Radar can be displayed on either Chartplotter. A WaveWiFi MNC1250 WiFi/cellular fallback router with antenna is included in the sale (cellular SIM card not included, contact your cellular provider). A Standard Horizons Explorer VHF radio is at the lower helm, with a remote (wired connector) handheld available at the flybridge. The Pioneer multifunction radio provides music inside and outside. An HDTV is wall-mounted in the saloon. An arch-mounted spotlight is available from the flybridge.

Electrical, Power & Plumbing

Included is an Onan MDKAW 11-kW generator with 1258 hours, recently serviced including new impeller, oil filter, belt, & rear water pump seals. She has a standard 50-amp, 208 volt service connector aft, with approximately 75 feet of Marinco feeder cables. Both engines & the genset have new start batteries (Feb. 2023) with eight 100 Amp-hr batteries for the house bank. House batteries are charged via solar bimini and two solar panels mounted on the port rail, or by the port-side alternator when underway. Start batteries are charged via each alternator & a Dolphin 3-output 80-amp charger from shore power.

Engine & Mechanical

Port & Starboard Volvo Penta KAMD 300 diesel engines (285 hp each) with just under 1900 hours and Volvo/ZF HSW3A transmissions, 2.52:1 reduction. Engines passed all diagnostics, Jan. 2023. Cardin shafts recently inspected & certified in good condition (including U-joints) Jan. 2023. New thrust bearings & cutlass bearings, Jan. 2023. On the 50mm prop haft are "dripless" PSS shaft seals and 4-blade propellers. She has 4 poly tanks for diesel fuel (1500 liters total). Engines were serviced in Jan. 2023, including new raw-water pump impellers, Raycor filters, oil filters, air filters, new belts, & new supercharger hoses.

Additional Information

There are four OEM bilge pumps, one replaced in Apr. 2023. Two automatic bilge switches aft were replaced in Apr. 2023. A pair of Rule bilge pumps with float switches were previously added for redundancy. The OEM pumps for the forward compartments are manually activated from the DC Control Panel. The vessel is equipped with a FlowScan fuel consumption system that interfaces to the GPSMap 5212 Chartplotter for display of fuel use statistics. A good set of manuals is available, including the Lagoon manual, a set of Volvo Workshop Manuals to aid with engine maintenance, Garmin manuals, and most appliance manuals. This vessel has recently been outfitted for potentially three-years of continuous cruising in The Bahamas, so she is ready to go. This is a very nice-driving yacht, with all electronic controls (not cables), excellent visibility, and positive controllability in tight quarters. She has generated the most amazing memories in the time we've owned her, from the first day she makes dreams happen.

Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors to investigate such details as the buyer desired validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice. Photos may not properly reflect the current condition of the actual vessel offered for sale. In some cases stock photographs may have been used.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing.

Dinghy Disclaimer

All dinghies are considered separate vessels and should have separate titles and documents. There is no guarantee as to the title of the dinghy on this vessel so Buyer accepts that while he may receive the dinghy included in the transaction, he may not receive the proper title to it.
