Full Specification

Layout & Accommodations

The 48 Open offers versatile configurations to suit various needs, including options for 2, 3, or 4 cabins, accommodating up to 9 guests.

Each cabin is designed with ample space and comfort in mind, featuring separate shower cabins, sinks with mixing taps, bathroom storage, towel rails, mirrors, pump-toilets with disposal via seacock, and opening portlights in the bathrooms.

The passageways include storage cupboards and handrails at the companion-way, ensuring safety and convenience.

Galley

The galley is designed for functionality and ease of use, equipped with modern appliances and ample storage, making meal preparation enjoyable during your voyages.

Deck & Equipment

The exterior design of the 48 Open is both modern and dynamic, featuring a forward deck with inverted bows and comfortable side decks with integrated deck hatches.

The double aft helm stations provide excellent visibility and control, enhancing safety and maneuverability.

The open-concept layout allows for seamless movement between indoor and outdoor spaces, perfect for socializing and relaxation.

Electronics & Navigation

While specific details on electronics and navigation systems are not provided in the available information, Nautitech catamarans are typically equipped with advanced navigation equipment to ensure safe and efficient sailing.

Electrical, Power & Plumbing

The vessel is equipped with two fuel tanks and two water tanks, each with a capacity of 300 liters (79 US gallons), ensuring ample supply for extended voyages.

Engine & Mechanical

The 48 Open is powered by twin Volvo engines, with options for either 60 HP or 75 HP, providing reliable performance and efficiency under power.

Sails & Rigging

Designed for optimal sailing performance, the 48 Open features a mainsail measuring 85 m² (915 sq ft) and a jib of 42 m² (457 sq ft), allowing for excellent handling and speed under sail.
