Boat Description:

The Sunreef 88 Ultima Electric is a state-of-the-art luxury catamaran that combines cutting-edge technology with sustainable performance.

Designed for discerning yacht enthusiasts, this vessel features an advanced hybrid propulsion system for efficient, eco-friendly cruising.

The spacious, fully customizable interior offers unmatched comfort, with expansive lounging areas and premium finishes.

On deck, the folding bulwark platforms and an extended aft platform create a vast living space with seamless access to the sea.

Innovative storage solutions accommodate a variety of water toys, while ultralight solar panels maximize energy efficiency. For enhanced performance, an optional hydrofoil upgrade ensures smooth, high-speed navigation.

With a sleek, modern design and top-tier amenities, the Sunreef 88 Ultima Electric redefines luxury yachting, delivering the perfect balance of sustainability, comfort, and power.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing.

Dinghy Disclaimer

All dinghies are considered separate vessels and should have separate titles and documents. There is no guarantee as to the title of the dinghy on this vessel so Buyer accepts that while he may receive the dinghy included in the transaction, he may not receive the proper title to it.
