Boat Description:

The Sunreef 35M is a groundbreaking luxury catamaran that redefines sustainable yachting with cutting-edge technology and elegant design. Measuring 35 meters in length, this eco-friendly superyacht offers a spacious, fully customizable interior that seamlessly blends modern luxury with functionality. Its expansive decks provide multiple lounging areas, including a vast flybridge, perfect for relaxation and entertainment. The yacht is powered by an advanced solar energy system, allowing for silent, emission-free cruising, and features an innovative hydrogenation system to recharge its batteries while under sail.

The Sunreef 35M boasts a full-beam owner's suite with panoramic ocean views, along with a selection of luxurious guest cabins, ensuring supreme comfort for all on board. The main salon is designed for an open-plan lifestyle, featuring sophisticated finishes, a state-of-the-art entertainment system, and direct access to the aft deck. Equipped with vast storage for water toys, tenders, and diving gear, this yacht is perfect for adventure enthusiasts.

With a focus on sustainability, innovation, and comfort, the Sunreef 35M is an exceptional choice for owners looking to experience luxury yachting with minimal environmental impact.

Full Specification

Layout & Accommodations

With a beam of 14.7 meters, the yacht offers expansive living areas. The main deck houses a panoramic owner's suite with private access to the bow terrace. Guest accommodations are fully customizable, ensuring luxury and comfort.

Deck & Equipment

The yacht features an immense flybridge with a plunge pool and drinks bar. The aft deck, known as the Ocean Lounge, is designed for lounging and watersports, with easy access to water toys and diving gear.

Electrical, Power & Plumbing

The Sunreef 35M Eco utilizes advanced green technology, including custom-engineered batteries and electric engines. Solar panels are seamlessly integrated into the hull sides, superstructure, and bimini, enabling emissions-free cruising.

Engine & Mechanical

The yacht is powered by state-of-the-art electric engines, offering silent and efficient propulsion.

Sails & Rigging

As a sailing catamaran, the Sunreef 35M Eco is equipped with sails and rigging designed for optimal performance

Additional Information

The Sunreef 35M Eco represents a significant step towards sustainable yachting, combining luxury with advanced eco-friendly technology.
