<b>Dinghy Model Year</b>	2020
<b>Dinghy Outboard Manufacturer</b>	Suzuki DF100B
<b>Dinghy Outboard Horsepower</b>	100
<b>Dinghy Outboard Year</b>	2020

### **Boat Description:**

US import duty is paid. The 2020 Sunreef 70 Sail Catamaran, renowned for its luxurious design and advanced technology, presents a unique offering in the world of high-end sailing. Known as "Ocean Vibes," this exquisite model boasts a spacious 6-cabin layout, an expansive flybridge, and a bow terrace directly accessible from the main saloon. The yacht's hydraulic aft platform extends between its sugar-scoops to a full 35.4 ft beam, creating an ideal environment for both relaxation and watersport activities. The Sunreef 70 is celebrated for its dynamic design and nearly limitless customization options, appealing to a broad range of sailing enthusiasts. Its design versatility allows owners to tailor the layout and décor to their exact preferences, making each yacht a personalized masterpiece. The model is equally adept in various sailing conditions, from the tranquil waters of the US Virgin Islands or Bahamas to the more challenging seas of the North Sea. Awarded as the Best Sailing Yacht of 2021 at The International Yacht & Aviation Awards, the Sunreef 70 exemplifies the

perfect blend of smooth sailing performance and luxury. Its main deck saloon is marked by opulent features such as two oversized sofas and a height-adjustable table, set amid a timeless décor that combines shades of grey, silver, and ebony. This is a galley-down layout in the port aft hull and accessible from the aft cockpit. This yacht represents the pinnacle of modern catamaran design, offering unparalleled space and comfort. It stands as a testament to Sunreef Yachts' dedication to excellence in maritime engineering, design, and sustainable practices, providing an unrivaled sailing experience for discerning owners and their guests. Ocean Vibes is the ideal Private or Charter Vessel and she is fully certified with MCA (Maritime Coastguard Authority). Ocean Vibes is currently maintained in a charter yacht management program in the Virgin Islands.

The yacht has also recently benefited from significant electrical upgrades, including: All house batteries installed Jan 2026. 10 x 200 amp Victron M8 AGM batteries. All new Engine start batteries Feb 2026 8 batteries.
