Layout & Accommodations

EXTERIOR

On deck, the Lagoon 450 catamaran boasts extensive seating both forward of the saloon and

aft, as well as a large swimming platform. The raised flybridge with safe access from both sides of the aft cockpit provides a panoramic bird's eye view at anchor and under sail. With a beam of nearly 26 feet, she is very stable with wide decks and recessed hatches, to make moving around the yacht a breeze and with enough space for everyone aboard to find their own favorite place to read, sunbathe or simply watch the ever-changing seascapes go by.

The spacious aft cockpit comfortably sits all guests around an ample table to make dining al fresco a pleasure. There is a ventilation hatch on the bridge deck, that funnels a cooling breeze into the cockpit area.

INTERIOR

The stylish galley and saloon are tastefully designed and equipped. Full height (6'6") in the galley and saloon. She has a "U"-shaped galley for greater comfort at sea, equipped with broad work space and plenty of storage.

The saloon and cabins exceptionally well lit. The saloon has wrap around windows providing uninterrupted views as well as. This Lagoon 450 also benefits from Air Conditioning powered either by shore power or by a quiet generator, located away from sleeping quarters – making for a peaceful night's sleep. 4 Double cabins provide spacious accommodation for up to 8 adults. Natural light in the cabins thanks to large glazed panels on hulls. Rum-Away also has two forward single berth suitable for either children or crew. Full height (6'6") ensuite separate shower stalls add to the comfort and convenience along with electric heads!
