## Boat Description:

The Sunreef 77 Ultima Electric is a cutting-edge luxury yacht that redefines sustainable cruising with its innovative hybrid propulsion and advanced solar power solutions. Designed for both comfort and performance, this eco-conscious vessel offers expansive living spaces with customizable interiors tailored to the owner's preferences. The yacht features folding bulwark platforms, a spacious aft deck, custom sea-stairs, and smart storage for water toys and accessories. Its lightweight, energy-efficient design enhances speed and range while maintaining a smooth and stable ride. The ultralight flexible solar panels integrated into the yacht provide a renewable energy source, reducing reliance on traditional fuels. The hybrid propulsion system ensures quiet, low-emission cruising, making it ideal for those seeking a greener yachting experience. The optional hydrofoil upgrade further enhances efficiency by reducing drag and improving performance. Equipped with the latest navigation and electronics systems, the Sunreef 77 Ultima Electric offers state-of-the-art technology to ensure seamless operation. Blending elegance, functionality, and environmental responsibility, this fully customizable yacht is perfect for luxury travelers looking to explore the seas in style. Experience the future of yachting with the Sunreef 77 Ultima Electric.

### **Disclaimer**

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors to investigate such details as the buyer desired validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice. Photos may not properly reflect the current condition of the actual vessel offered for sale. In some cases stock photographs may have been used.

### **Mechanical Disclaimer**

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing.

### **Dinghy Disclaimer**

All dinghies are considered separate vessels and should have separate titles and documents. There is no guarantee as to the title of the dinghy on this vessel so Buyer accepts that while he may receive the dinghy included in the transaction, he may not receive the proper title to it.
