Boat Description:

The Leopard 46 catamaran (2010) is a highly regarded sailing vessel known for its perfect balance of performance, comfort, and seaworthiness. Designed by Morrelli & Melvin and built by Robertson and Caine, this model is a favorite among bluewater cruisers and liveaboards. With its spacious layout, the Leopard 46 offers four double cabins with ensuite heads, a bright and airy saloon with panoramic windows, and a well-equipped galley ideal for long passages. Its solid construction, ease of handling, and excellent sailing capabilities make it a reliable choice for offshore adventures. Whether you're planning extended cruising or seeking a roomy liveaboard, the 2010 Leopard 46 stands out as one of the most trusted catamarans in its class.

Full Specification

Layout & Accommodations

The Leopard 46 features a 4-cabin, 4-head layout, offering spacious and comfortable accommodations for up to eight guests.

Each cabin includes a queen-size berth, ample storage, and a private ensuite bathroom with a separate shower.

The interior is designed for natural light and ventilation, with large windows throughout the cabins and saloon.

The open-plan saloon provides a bright, welcoming space for dining or relaxing, with a generous seating area and excellent visibility.

Galley

Recently replaced force 10 stove

The galley is located in the main saloon and is equipped with essential appliances, including a stove, oven, refrigerator, and ample counter space.

Its layout is functional and allows for easy meal preparation, whether at anchor or underway.

Deck & Equipment

Standard equipment

Wide side decks and a spacious cockpit provide ease of movement and comfort onboard.

The helm station is well-positioned with good visibility, and the deck layout is optimized for safe and efficient sailing.

Electronics & Navigation

Raymarine

Electrical, Power & Plumbing

Four bathrooms

The Leopard 46 is equipped with a standard AC/DC electrical system, house and engine batteries, and shore power capabilities.

It includes pressurized hot and cold water, electric bilge pumps, and water tanks with generous capacity for extended cruising.

Engine & Mechanical

two yanmar 54hp engines

Powered by twin diesel engines with saildrives, this model offers reliable and efficient motoring

Sails & Rigging

The sail plan includes a fully-battened mainsail and a roller-furling genoa.

All lines are led back to the helm for ease of handling.

The rig is designed for performance and simplicity, making it suitable for short-handed sailing.

Additional Information

The Leopard 46 is known for its solid construction, excellent sailing performance, and spacious design, making it ideal for bluewater cruising, liveaboard use, or charter.

With its balance of comfort and capability, it remains one of the most popular catamarans in its class.
