2014 Leopard 44 Sailing Catamaran for Sale – Fully Equipped and Ready to Cruise

This 2014 Leopard 44 sailing catamaran is a well-maintained, bluewater-ready vessel now available in the Chesapeake Bay. Cruised extensively by her current owners—from the UK across the Bay of Biscay, through the Mediterranean, across the Atlantic, and throughout the Caribbean and Bahamas—she’s proven her capability and comfort offshore.

She features numerous recent upgrades, including a new autopilot, steering chain, lithium batteries, solar panels, and a full aft cockpit and helm enclosure, allowing full use of outdoor living space in any weather. With low engine and generator hours, and sails in excellent condition, this Leopard 44 delivers both performance and peace of mind.

A major refit completed in the UK in 2019–2020 added new sails, mast, boom, standing

rigging, and a Coppercoat antifouling system. This yacht comes with a comprehensive inventory of cruising spares and is fully outfitted for long-term liveaboard or passagemaking. She's turn-key and ready for your next sailing adventure.
