### Boat Description:

The 70 Sunreef Power Electric is a luxury catamaran designed for eco-friendly, long-range cruising. Powered by an advanced electric propulsion system, it offers a quiet and efficient ride. The spacious layout includes multiple staterooms with en-suite bathrooms, a panoramic saloon, and an expansive flybridge for relaxation.

The galley is fully equipped with modern appliances and ample storage, making meal preparation seamless. The deck is designed for comfort, featuring high-quality materials, lounging areas, and an easy-access swim platform. Advanced navigation and electrical systems ensure safety and efficiency.

With powerful electric engines, smooth cruising, and reduced maintenance, this yacht delivers top-tier performance. Ideal for eco-conscious travelers, the 70 Sunreef Power Electric blends luxury, technology, and sustainability for an unparalleled yachting experience.

## Full Specification

### Layout & Accommodations

The 70 Sunreef Power Eco has 2 version Eco Version or Classic Version.

Spanning an impressive 304 square meters of living space, the 70 Sunreef Power Eco offers ample room for relaxation and entertainment.

### Deck & Equipment

The yacht features an aft garage, providing convenient storage for water toys and equipment, ensuring that every adventure is both luxurious and environmentally conscious.

### Electrical, Power & Plumbing

Equipped with unique composite-integrated solar panels, this yacht harnesses renewable energy to minimize its environmental footprint. An energy-saving air conditioning system and the industry's lightest battery bank further enhance its eco-friendly credentials.

### Engine & Mechanical

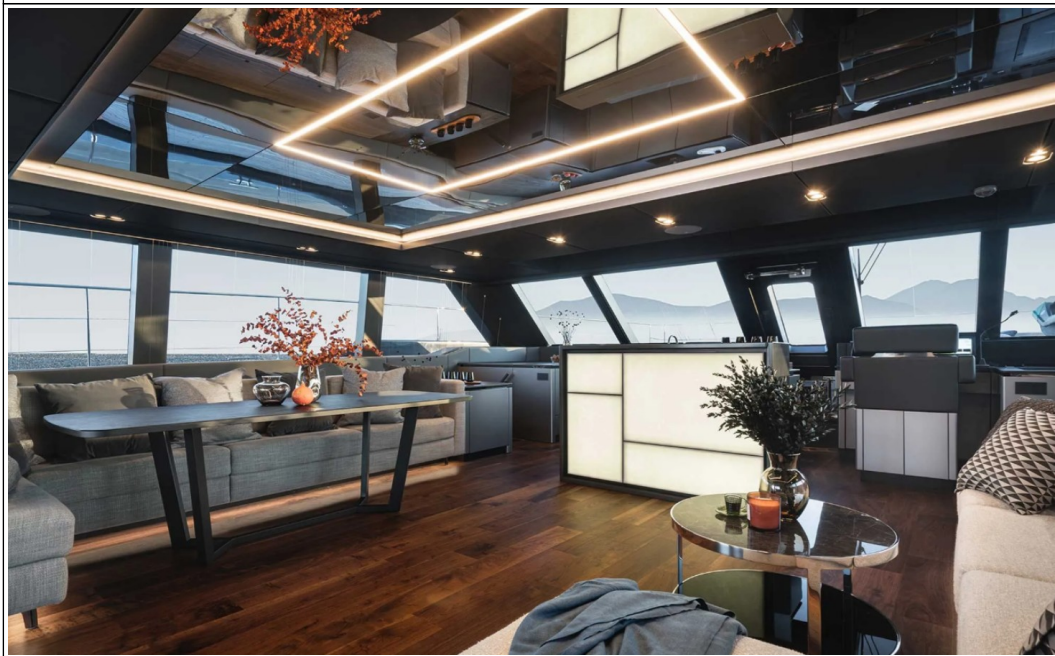

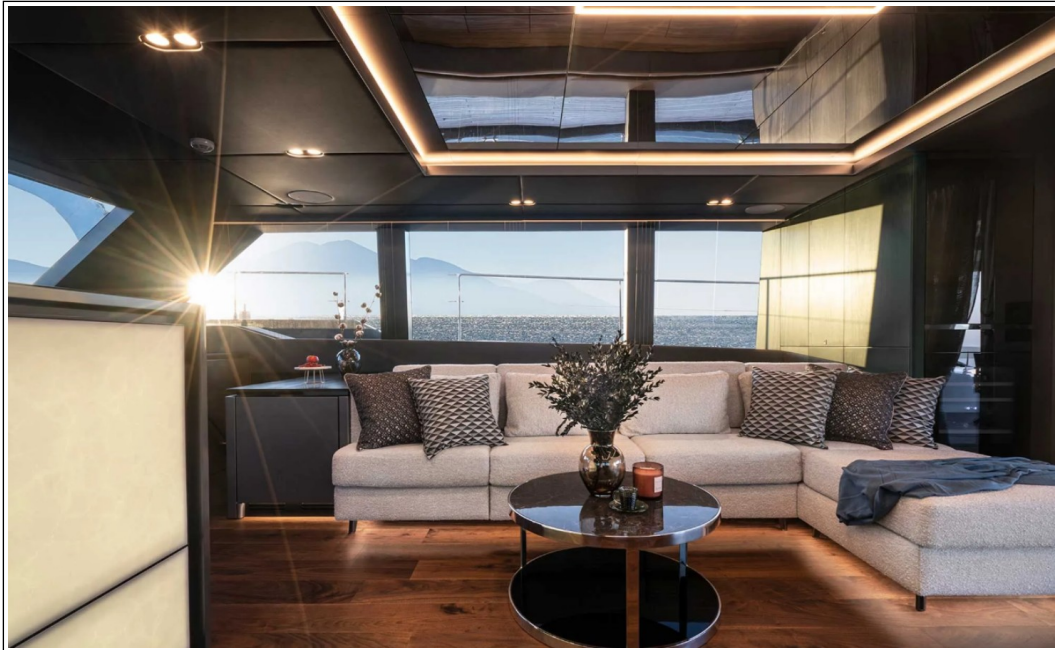

CLASSIC VERSION 2 x 300 HP - 2 x 600 HP Engines

### [Additional Information](#)

The 70 Sunreef Power Eco is a fully customizable luxury catamaran that exemplifies a commitment to sustainable yachting.

**Disclaimer**

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors to investigate such details as the buyer desired validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice. Photos may not properly reflect the current condition of the actual vessel offered for sale. In some cases stock photographs may have been used.

**Mechanical Disclaimer**

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing.

**Dinghy Disclaimer**

All dinghies are considered separate vessels and should have separate titles and documents. There is no guarantee as to the title of the dinghy on this vessel so Buyer accepts that while he may receive the dinghy included in the transaction, he may not receive the proper title to it.
