New

Boat Description:

The Sunreef 80 Electric is a cutting-edge luxury catamaran designed for eco-conscious sailing without compromising on performance or comfort. This fully electric yacht offers silent cruising, eliminating emissions and reducing environmental impact while delivering exceptional efficiency. With a sleek and modern design, it boasts expansive living spaces, including a panoramic salon filled with natural light and sophisticated furnishings. The open layout seamlessly connects the interior and exterior, offering an inviting atmosphere for relaxation and entertainment.

The spacious aft cockpit, flybridge, and forward terrace provide ample outdoor lounging and dining areas, perfect for enjoying breathtaking views at sea. Below deck, the Sunreef 80 Electric features luxurious staterooms with en-suite bathrooms, ensuring the highest level of comfort for extended voyages. The advanced galley is equipped with premium appliances, catering to all culinary needs.

With state-of-the-art navigation systems, cutting-edge lithium battery banks, and an intelligent energy management system, this catamaran offers long-range cruising with minimal maintenance. Its powerful electric propulsion allows for smooth sailing with excellent maneuverability.

Designed for those seeking an eco-friendly yachting experience, the Sunreef 80 Electric is the perfect blend of innovation, sustainability, and opulence, making it an ideal choice for discerning sailors.

Full Specification

Layout & Accommodations

The Sunreef 80 has 2 version Eco Version or Classic Version

The yacht accommodates up to eight guests in its luxury suites.

The starboard hull houses an opulent and light-filled master suite, fitted with a double bed, a walk-in dressing, a pop-up TV, sofa, and vanity desk.

The generous ensuite bathroom follows the contemporary style of the master stateroom.

Deck & Equipment

The Sunreef 80 Eco features a full-beam aft cockpit and a hydraulic swim platform. The clever bridge deck and superstructure design allow for a superior level of comfort onboard, whereas the generous teak use, high bulwarks, and classy lines underscore her modern style with a classic edge.

Electrical, Power & Plumbing

The Sunreef 80 Eco is a fully autonomous solar catamaran built for fuel-free, ultra-silent, and zero vibration cruising. It features smart energy management and the industry's lightest battery bank.

Sails & Rigging

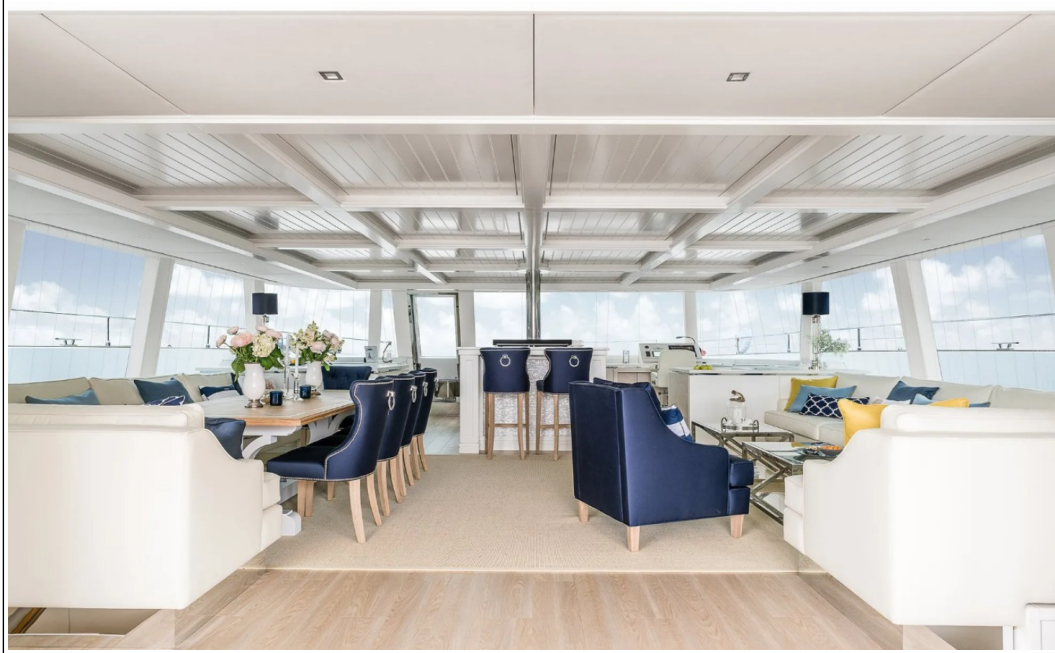

The yacht's sail plan includes a mainsail measuring 200m² (2153 sq ft) and a jib of 70m² (753 sq ft).

Additional Information

The Sunreef 80 Eco is an award-winning model, recognized for its innovative design and sustainable technology. It offers unlimited range and fumeless cruising, embodying the avant-garde of eco-friendly catamarans.
