<b>Engine Condition</b>	New
<b>Does the boat have a generator?</b>	Yes
<b>Generator Model</b>	40 kW 60 Hz (120 V/240 V) with sound enclosure, diesel fuel tank, and remote control

## Boat Description:

Welcome to the future of luxury sailing.

Introducing the Aquila 50 Sail, a vessel meticulously crafted to redefine the sailing experience itself. It's a journey where every moment matters more than the destination.

The 2026 Aquila 50 Sail isn't just a catamaran, it's a lifestyle upgrade designed to turn every passage into an unforgettable experience. With her sleek profile, expansive flybridge and cockpits, and panoramic windows flooding the salon with natural light, she delivers a seamless connection between ocean and interior. Flexible layouts offer up to six cabins plus a versatile utility room that can be configured as storage, workshop or a private guest suite with its own head and shower, giving owners unmatched adaptability. Premium finishes, a chef-worthy galley, Raymarine electronics, electric winches and powerful yet quiet 60 Hz generator options from 15 kW to 40 kW combine to create a yacht that is as effortless to operate as it is breathtaking to behold. Built for bluewater performance and high-end charter appeal, Aquila 50 Sail is your invitation to step beyond the ordinary and own the catamaran that redefines what's possible at sea.

This catamaran is completed and in water now and will ship to Florida in October 2025.

This is more than a boat; it's the beginning of your next great adventure.

# Full Specification

### **Disclaimer**

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors to investigate such details as the buyer desired validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice. Photos may not properly reflect the current condition of the actual vessel offered for sale. In some cases stock photographs may have been used.

### **Mechanical Disclaimer**

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing.

### **Dinghy Disclaimer**

All dinghies are considered separate vessels and should have separate titles and documents. There is no guarantee as to the title of the dinghy on this vessel so Buyer accepts that while he may receive the dinghy included in the transaction, he may not receive the proper title to it.
