Does a dinghy come with the boat?	No

[Boat Description:](#)

Looking for a well-maintained cruiser at a great value? This used 2007 Monterey 270 is ready to hit the water. Measuring 29 feet LOA, this boat features 2 berths with a large head and a great cockpit layout with plenty of seating, making it perfect for weekend getaways or day cruising with family and friends.

The Monterey 270 is known for its solid build and comfortable ride, and this example has been carefully maintained by its current owner. The black hull was sand blasted and bottom painted in 2025, giving the boat a fresh, clean look both above and below the waterline. A new fuel pump was installed in 2025, and both batteries have been replaced within the last two years, so you can cruise with confidence knowing the key mechanical components are in top shape.

To top it all off, the boat was fully detailed and waxed in April 2025, making it show-ready and impressive at the dock. Whether you are a seasoned boater looking for a reliable second vessel or a first-time buyer stepping into the cruiser market, this Monterey 270 checks all the boxes.

Currently listed in very good condition, this is a rare opportunity to own a well-equipped, properly maintained boat without the new boat price tag. Boats like this one in this condition do not last long on the market, so do not miss your chance to get out on the water this season.

Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors to investigate such details as the buyer desired validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice. Photos may not properly reflect the current condition of the actual vessel offered for sale. In some cases stock photographs may have been used.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing.

Dinghy Disclaimer

All dinghies are considered separate vessels and should have separate titles and documents. There is no guarantee as to the title of the dinghy on this vessel so Buyer accepts that while he may receive the dinghy included in the transaction, he may not receive the proper title to it.
