No. of berths:	8-9
No. of Cabins:	4
No. of Heads:	4
Fuel Capacity:	163 g
Water Capacity:	232 g
Holding tank:	39.6

Weight - Displacement:	17.8075 ton (35,615 lb)
Hull Material:	Fiberglass
Hull Configuration:	Catamaran
Engine Condition	New

[Boat Description:](#)

The 2027 Aquila 45 Sail is a beautifully designed 45-foot sailing catamaran that blends performance, comfort, and modern styling. With a generous 25'5" beam and a draft of just over 5 feet, she offers impressive stability and easy access to a wide range of cruising destinations. The sleek exterior profile is complemented by expansive outdoor living spaces, including a forward bow lounge, spacious aft cockpit, and a large flybridge ideal for relaxing or entertaining.

This 4-cabin / 4-head layout offers exceptional comfort and space, featuring a large forward owner's cabin configuration. The spacious master suite utilizes the full length of the hull, providing enhanced privacy, storage, and natural light. Under sail, her powerful sail plan and twin saildrive engines deliver confident performance, while ample fuel and water capacity support extended cruising.

The boat is on the way to BVI.

This vessel is available for Purchase for Charter.

Full Specification
