Boat Description:

JEWEL is a meticulously maintained 3-cabin "Owners" version Lagoon 42.

Since her launch the boat has had only 2 owners. The first owner took delivery in France and sailed across the Atlantic to Florida. Import duty was paid upon arrival. The current owner bought her in 2019. JEWEL is equipped with a bow-sprit and full downwind sail rigging including 2 winched in the cockpit. Unusually fast, she has won the Lagoon class of the Texas Harvest Moon Regatta not once, but twice. She is equipped for performance with a Quantum - NSO 171832 cross-cut Square Top Mainsail (2022), standard Incidence self-tacking jib, and a North Sails Code 0 (June 2019).

JEWEL has never been chartered - no groundings/lightning strikes/hurricane damages or other damages. JEWEL is the sole asset of a Delaware LLC which can be purchased if the buyer so chooses.
