[Boat Description:](#)

The 2011 Lagoon 560 "Capricho" is a luxury 56-foot sailing catamaran for sale, offering an exceptional combination of performance, comfort, and bluewater capability. Built by Lagoon and privately owned since new, this flybridge catamaran has never been chartered and is VAT paid in Colombia. With a spacious 5-cabin layout including an owner's suite, multiple guest cabins, and crew accommodation, it is ideal for long-range cruising, family sailing, or liveaboard use. Powered by twin Yanmar 110 HP engines and equipped with a full sailing inventory, flybridge helm, air conditioning, generator, watermaker, and hydraulic tender platform, Capricho stands out as a well-maintained, turnkey cruising catamaran located in Cartagena de Indias and ready for immediate ownership

Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors to investigate such details as the buyer desired validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice. Photos may not properly reflect the current condition of the actual vessel offered for sale. In some cases stock photographs may have been used.

Notes: This listing is courtesy of the BoatWizard MLS and may be centrally listed with another broker. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey representation of a particular vessel.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing.

Dinghy Disclaimer

All dinghies are considered separate vessels and should have separate titles and documents. There is no guarantee as to the title of the dinghy on this vessel so Buyer accepts that while he may receive the dinghy included in the transaction, he may not receive the proper title to it.
