Off grid Ready

The Bali 5.4 Owners Version Sailing Catamaran is the epitome of luxury and innovation in multihull design. Renowned for its spacious layout, modern aesthetics, and unparalleled comfort, this catamaran is crafted to deliver the ultimate cruising experience.

Key Features:

Owner's Suite:

The standout feature of the Owners Version is the expansive, private owner's suite. Spanning an entire hull, it includes a king-size bed, abundant storage, a full-height wardrobe, and an en-suite bathroom with a separate shower. This layout ensures privacy and comfort, making it ideal for long-term cruising or living aboard.

Open-Space Concept:

The Bali 5.4 breaks traditional catamaran boundaries with its signature "Open-Space" design. The saloon and cockpit merge seamlessly through a unique tilting door system, creating a massive indoor-outdoor living area. The panoramic windows flood the space with natural light, offering stunning 360° views.

Multiple Lounge Areas:

This yacht is designed with multiple lounging and relaxation zones. The forward cockpit offers a sunbathing area and seating with a table, while the flybridge features a spacious sun deck, helm station, and an alfresco dining space.

Luxury Accommodations:

In addition to the owner's suite, the catamaran includes two or more guest cabins, each with en-suite bathrooms, providing guests with unmatched comfort and privacy.

The Bali 5.4 Owners Version is perfect for discerning sailors who value space, comfort, and versatility without compromising performance. Whether exploring remote islands or entertaining friends, this sailing catamaran delivers a world-class experience.
