[Boat Description:](#)

This Lagoon 440 catamaran, located in Cancun, Mexico, was previously part of a charter fleet and has recently been removed from service. The vessel is being sold as-is, where-is, and represents a project opportunity for the right buyer.

The Lagoon 440 is a well-known cruising catamaran design with spacious living areas, a flybridge helm, and a layout that has made the model popular with sailors around the world.

It is important to note that this vessel will require work and refitting. The boat is being offered in its current condition with no guarantees, no recent upgrades, and no additional equipment included beyond what is currently onboard.

For those with the skills and vision to take on a project, this represents a chance to acquire a large cruising catamaran at a value price and refit it to suit their own plans for future adventures on the water.
