Boat Description:

60 Sunreef Power FOREVER is the third hull of the new power yacht model, 60 Sunreef Power. It was made in response to the growing demand for compact yet highly impressive powerboats. This yacht has all the features of the popular 70 Sunreef Power, except its 27.8 ft / 8.5 m beam make it more convenient for crowded marinas, especially in the Mediterranean. It is also an interesting alternative for traditional motoryachts with much lower fuel consumption, long range, superb living space offering comfort and intimacy for the owner and his guests, customized interior design and stability. FOREVER is the first Sunreef luxury catamaran built according to the USA technical requirements with electrical voltage of 100V and radio frequency of 60Hz.
