

Sunreef 70 PC 1 LIFE

Basic Vessel Summary

Manufacturer:	SUNREEF
Model:	Sunreef 70 PC
Type of Yacht:	Power
Price:	Price on Application
Condition:	Launched
Status:	Sold
Location	Mexico Mexico
Manuf. Length:	70' (21.34 m)
Maximum Draft:	5' 1" (1.55 m)
Minimum Draft:	5' 1" (1.55 m)
Beam:	30' 5" (9.27 m)
No. of Cabins:	4
Fuel Capacity:	2 x 2113.38 US g
Water Capacity:	356.63 US g
Weight - Displacement:	49 ton (98000 lb)

Hull Material:	Fiberglass Reinforced Plastic- FRP
Hull Configuration:	Catamaran
Engine Manufacturer	Perkins
Engine Horsepower	160
Engine Hours (Port)	Approx. 2500
Engine Hours (Starboard)	Approx. 2500
Engine Configuration	Twin

Boat Description:

Sunreef Yachts, the world leader in building luxury catamarans, constantly raises the level of innovations presented on its units. In 2013 Sunreef Yachts together with VOLVO engineers developed an innovative IPS system installed for the first time in a power yacht (60 Sunreef Power). This year specifically at a client's request, Sunreefs` specialists installed the IPS system in 70 Sunreef Power 1 Life to ease maneuvering and accommodate side cruising and easy turning with just one joystick. Despite being widely used on regular motoryachts, they are very uncommon on catamarans, especially large-sized yachts in which the shipyard specializes in. Moreover, the system helps to be even more efficient on the fuel consumption side. To maximize performance 70 Sunreef Power 1 Life is equipped with wave piercers on both hulls.

Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors to investigate such details as the buyer desired validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice. Photos may not properly reflect the current condition of the actual vessel offered for sale. In some cases stock photographs may have been used.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing.

Dinghy Disclaimer

All dinghies are considered separate vessels and should have separate titles and documents. There is no guarantee as to the title of the dinghy on this vessel so Buyer accepts that while he may receive the dinghy included in the transaction, he may not receive the proper title to it.
