## The TomCat 9.7

**Immediate Availability  
at an exceptional price.**

From \$159,500  
Inquire for details.

TomCat 9.7 is a performance oriented, entry level cruising catamaran with excellent performance in all winds and on all points of sail. Optional single or twin outboards in wells provide quiet, comfortable motoring. Wheel steering and instrumentation is just a step away from the interior navigation station.

Inside, the galley, head and dressing areas have 6 ft. 6 in. standing headroom, which is extended across the aft end of the salon. Wrap around windows provide panoramic views. Seating and berths can accommodate up to 6 in three separate cabins, with an extra salon berth available when required. The large galley has over 10 ft. of countertop space.
