## Remarkable qualities of comfort and generous use of space.

The Privilege 465 is set to fill the gap between the 45 and 51-foot luxury catamarans currently being produced. The exciting main features of this luxurious new cruising catamaran include the spacious main salon with panoramic windows.

This new model Privilege will make you feel right at home with her four enormous queen sized en suite staterooms. The beech wood interior gives it a lighthearted and summery feel. The well-stocked galley is on the same level with the salon and navigation station. You won't be hitting your head on this catamaran, as headroom is no problem here!

## GUEST COMMENTS

I was impressed on the quality of this catamaran. She has lovely wood finishing and we felt like kings the whole week!

- Waters - NY - December 2003

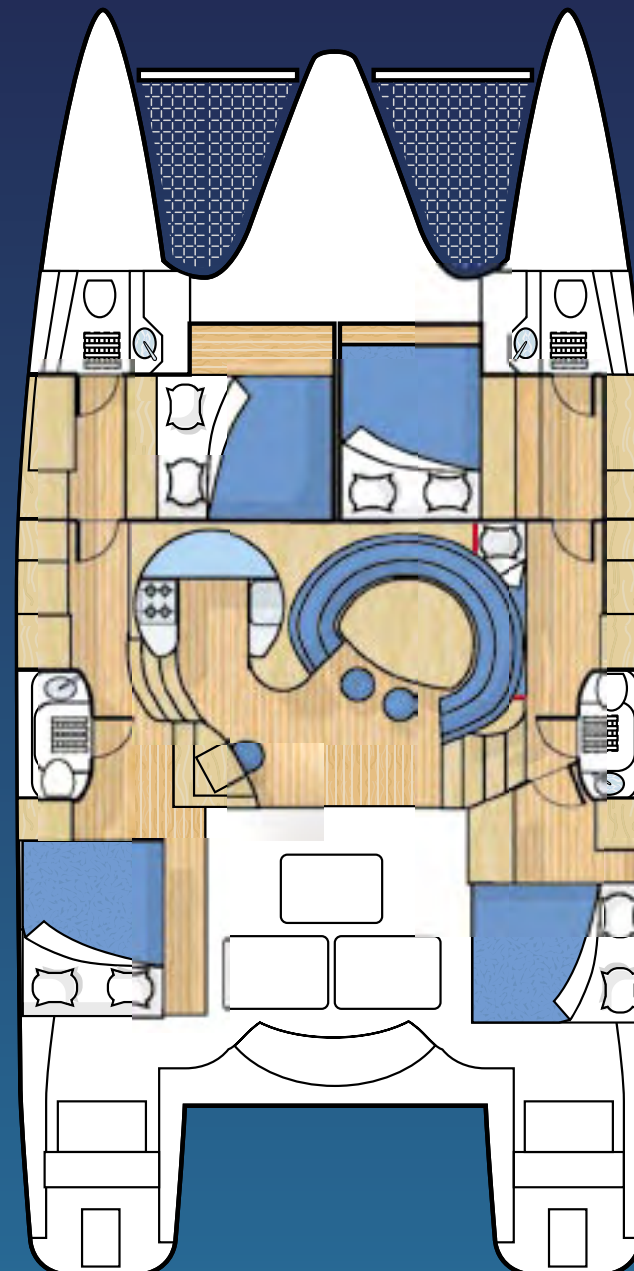

We charter with The Catamaran Company every year. We are fans of the privileges due to their sailing performance and the way it impresses our friends! We will be back!!

- George - CA - January 2004

We like the new style of the newer privileges. The galley is neither 'up' nor 'down'. It's 'in-between'.

- Andrews - KY - October 2003
