FINALLY A FLY BRIDGE!

FUNCTIONAL COCKPIT

Your first glance at this new Lagoon will reveal the amazing level of finish work and a strong feel of practicality. On deck, the rooflines are crisp, the overall shape is dynamic, and ergonomics and use of space are maximized.

Practical ergonomics and use of space is maximized to its' fullest.

Bow volume and weight distribution have been carefully balanced limiting the pitching motion. The bridge deck being gull wing shaped enhances a smoother passage while cruising.
