

THE CATAMARAN COMPANY

is

100% Adventure.

You can't do better than that. Choose your own itinerary and dive schedule. Enjoy tropical corals of the Caribbean and fish like no other dive cruise. Enjoy full dive amenities and enhance your dive skills accompanied by a licensed Dive Instructor. Choose a catamaran on your next dive exhibition rather than a tour operator that is only 25% committed to dive vacations. We offer 7 nights/ 8 days all inclusive crewed vacations. All meals/beverages, water sports & dive yacht crew are offered onboard.

Or choose a bareboat catamaran. Drive and dive without hiring the crew on the largest catamarans available to bareboat charter.

We are 100% committed in catering to all types of adventure charters.

We have your cat.
