**Boat Highlights**

2000 LEOPARD 45 ROBERTSON AND CAINE CATAMARAN FOR SALE

Designed by the Moorings and the builder Robertson and Caine, the Leopard 45 is an exceptional synthesis of both their knowledge and experience of life on a sailing catamaran. The Leopard 45' -47' generation is known for their bullet proof construction, and after 10 years, Mighty Oak is still a great vessel that an owner can be proud of. It is hard to find a better package in terms of comfort, safety and space! New sails and hard top in 2009 Mighty Oak is a nice example of the popular Leopard 45'. This yacht is ready to go cruising. Mighty Oak was used in charter from 2000 - 2005 and since then as the flag ship for a catamaran off shore sailing school. The owner has his eyes on a larger catamaran, hence the attractive asking price.
